FILE HEADING

Application of the Central College in Branch II B Chemistry for the B.A. Pass Course

From The Director of [illegible] in Mysore

No 5259/284 Dated 19/11/12 Received 23/11/12

Diary No 2921	Enclos	Spare Copies	Serial No

BRIEF ABSTRACT OF LETTER

Requests permission to move the University for the application of the Central College in B.A. II B Chemistry for the B.A. Pass Course and proposes certain additional expenditure for the opening of the Chemistry B.A. class in connection with the budget for 1913-14

NOTES AND ORDERS

Application for application of the Central College in Branch II B Chemistry was made in 1910 but the University suggested that the application might be renewed 12 months hence as the accommodation was not adequate (Vide [illegible]).

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 5259 / 284

Bangalore 19th November *1912*

From L. Shama Rao Esq M A
Offg *Inspector General of Education in Mysore*

To
K R Srinivasiengar Esq
Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

Sir

In continuation of my letter No 63[illegible] of the 21st January 1911 I have the honour to enclose herein for information copy of a letter from the Principal Central College Bangalore regarding the requirements for renewing the application for affiliation of the College in Branch II B - Advanced Chemistry for the B A Pass course under the New Regulations of the University

2 The Registrar of the University in his [illegible] of the 23rd December 1910 intimated that the Syndicate considered that the application should be deferred for about twelve months Periodical reports as to the progress of the Laboratory building have been sent to the Registrar of the University, and as the work upon the building is sufficiently advanced to warrant the expectation that the building would be ready for occupation by July next the University may be given the necessary assurance in this behalf

3 The Principal requires the addition to the staff of an Assistant Professor of Chemistry who may be a Master of Arts in that Branch of the Madras University and also requests the engagement of a carpenter on Rs 30 He further proposes a rise of pay to the Laboratory

Laboratory attendants as in the statement hereunder

In the matter of equipment the Principal expects to have to book ..lers for apparatus to the value of Rs 15 000 This amount will have to be provided in the next budget and the Principal authorised to make arrangements to order the necessary apparatus payment being made in the next official year

5 I recommend that Government be moved to accord sanction to make provision for these requirements in the next Budget and permit my moving the University for the affiliation of the College in Branch II B for the B A Degree Pass course, on this basis As the matter will have to go before the Syndicate in time to enable them to place the question before the Senate at their meeting in March next I request the favour of early orders upon the matter

	Present scale	Grade	proposed scale	Grade
1	Chemistry Laboratory Attendant	8-1-12	1st Chemistry Laboratory Attendant	12-1-16
2	do	8-1-12	2nd do	10-1-12
3	do fixed pay of	9-0-0	3rd do	10-1-12

I have the honour to be,

Sir,

Your most obedient servant,

Offg Inspector General

T N R

Letter No 153 dated 9th October 1912 from the Principal Central College, Bangalore to the Inspector General of Education in Mysore

---

With reference to your letter No 3361/367 dated 20th September 1912 I have the honour to state that I consider that it is time to renew the application for the affiliation of the Central College in the Chemistry course for the B A Degree Examination (New Regulations 11 B) subject to the following remarks

1 The new Chemistry building is well advanced and Mr F L Usher has given very full instructions about the necessary fittings There is no reason why the building should not be ready for occupation before July 1913 but there is always the possibility of unforeseen delays

2 It will be necessary to appoint an Assistant Professor or Lecturer to help in advanced work It may be possible to find a suitable man among those who have taken the degree of M A in Chemistry in the University of Madras

3 It will be necessary to send orders to the extent of Rs 15 000 for chemicals by the 1st of January to England or Germany

4 A carpenter will be required on Rs 30/- per mensem for the Chemical Laboratory and the pay of the Laboratory Attendants will have to be raised

No 1 on Rs 12-1-16
